

Occupational Therapy TOOLKIT

Table of Contents 72 Treatment Guides 263 Handouts

Treatment Guides

1. Basic and Instrumental Activities of Daily Living
2. Bathing and Showering
3. Dressing
4. Feeding
5. Functional Communication
6. Functional Mobility
7. Grooming and Oral Hygiene
8. Toileting
9. Clothing Care
10. Health Management
11. Light Housework
12. Managing Finances
13. Meal Preparation and Clean Up
14. Medication Routine
15. Shopping and Community Mobility
16. Balance
17. Cognition and Perception
18. Falls Risk Assessment and Prevention Strategies
19. Adhesive Capsulitis
20. Alzheimer's Disease - Mild Stage
21. Alzheimer's Disease - Moderate Stage
22. Alzheimer's Disease - Severe Stage
23. Amputation of the Lower Extremity
24. Amyotrophic Lateral Sclerosis
25. Biceps Tendinitis
26. Breast Cancer
27. Cancer
28. Cardiac Surgery
29. Carpal Tunnel Syndrome (Median Neuropathy)
30. Chronic Pain Syndrome
31. Congestive Heart Failure (CHF)
32. Cubital Tunnel Syndrome (Ulnar Neuropathy)
33. Depression
34. De Quervain's Tenosynovitis
35. Diabetes
36. Elbow Fracture (Olecranon and Radial Head)
37. Epicondylitis
38. Essential Tremor
39. Extreme Obesity/Exceptionally Large Persons

40. Frail Elderly/Oldest Old 85+
41. Hip Fracture and Hip Replacement
42. Hospice
43. Joint Contractures
44. Knee Replacement
45. Low Vision – Ocular
46. Multiple Sclerosis
47. Myocardial Infarction
48. Osteoarthritis
49. Osteoporosis
50. Parkinson's Disease
51. Peripheral Neuropathies
52. Post-Polio Syndrome
53. Pressure Ulcer Management
54. Pulmonary Disease
55. Renal Disease - End Stage (ESRD)
56. Rheumatoid Arthritis
57. Rotator Cuff Repair
58. Rotator Cuff Tendinitis and Tears
59. Scleroderma/Systemic Sclerosis
60. Shoulder Arthroplasty
61. Shoulder Fracture (Proximal Humerus and Humeral Shaft)
62. Shoulder-Hand Syndrome Post Stroke
63. Shoulder Impingement Syndrome
64. Spinal Cord Injury
65. Spinal Stenosis - Cervical
66. Spinal Stenosis - Lumbar
67. Spine Surgery - Cervical
68. Spine Surgery - Lumbar
69. Stroke/CVA
70. Urinary Incontinence
71. Vertebral Compression Fractures
72. Wrist Fracture

ADL Handouts

Bathing and Showering

1. Adaptive Equipment for Bathing and Showering *
2. Bathing and Showering Tips
3. Placement of Grab Bars - Left Side
4. Placement of Grab Bars - Right Side

Dressing

5. Adaptive Equipment for Dressing
6. Dressing Tips
7. Putting on Open Front Garment Using a Dressing Stick
8. Putting on Pants and Underwear Using a Dressing Stick
9. Putting on Pullover Garment Using a Dressing Stick
10. Putting on/Removing Lower Body Clothing Method 1
11. Putting on/Removing Lower Body Clothing Method 2
12. Putting on/Removing Lower Body Clothing in Supine
13. Putting on/Removing Lower Body Clothing Using a Footstool
14. Putting on/Removing Open Front Garment Two Shoulder Drape
15. Putting on/Removing Open Front Garment One Shoulder Drape
16. Putting on/Removing Pullover Garment Arm-Head-Arm
17. Putting on/Removing Pullover Garment Head-Arm-Arm
18. Putting on/Removing Socks/Shoes with Adaptive Equipment
19. Putting on/Removing Support Stockings
20. Removing Pants and Underwear Using a Dressing Stick
21. Removing Pullover Garment Using a Dressing Stick
22. Using a Buttonhook

Dressing Using One-Handed Method - Left Side Affected

23. Putting on Open Front Garment
24. Putting on Pants and Underwear
25. Putting on Pullover Garment
26. Putting on/Removing Bra
27. Putting on Socks and Shoes
28. Removing Open Front Garment
29. Removing Pants and Underwear
30. Removing Pullover Garment
31. Shoe Tying

Dressing Using One-Handed Method - Right Side Affected

32. Putting on Open Front Garment
33. Putting on Pants and Underwear
34. Putting on Pullover Garment
35. Putting on/Removing Bra
36. Putting on Socks and Shoes
37. Removing Open Front Garment
38. Removing Pants and Underwear
39. Removing Pullover Garment

40. Shoe Tying

Feeding

41. Adaptive Equipment for Feeding

Functional Communication

42. Improving the Usability of Your Computer

Functional Mobility

43. Adaptive Equipment for Mobility *
44. Assisted Sit Pivot Transfers Moving to the Left *
45. Assisted Sit Pivot Transfers Moving to the Right *
46. Assisted Stand Pivot Transfers Moving to the Left *
47. Assisted Stand Pivot Transfers Moving to the Right *
48. Bridging *
49. Getting Down On the Floor *
50. Getting In and Out of Bed Following Hip Surgery *
51. Getting In and Out of Bed – Left Hemiparesis *
52. Getting In and Out of Bed – Right Hemiparesis *
53. Getting Into Bed Towards Your Left Side *
54. Getting Into Bed Towards Your Right Side *
55. Getting Out and Into Bed with Help Towards the Left Side *
56. Getting Out and Into Bed with Help, Towards the Right Side *
57. Getting Out of Bed Towards Your Left Side *
58. Getting Out of Bed Towards Your Right Side *
59. Getting Up From the Floor *
60. Moving Side-to-Side in Bed *
61. Rolling onto Your Side in Bed *
62. Scooting Up in Bed *
63. Sitting Down *
64. Sitting Down Following Hip Surgery *
65. Sit Pivot Transfers Moving to the Left *
66. Sit Pivot Transfers Moving to the Right *
67. Standing Up *
68. Standing Up Following Hip Surgery *
69. Standing Up with Help on the Left *
70. Standing Up with Help on the Right *
71. Transfer to Tub Using Bath Seat (left leg, right leg, sit) *
72. Transfer to Tub Using Bath Seat (right leg, left leg, sit) *
73. Transfer to Tub Using Bath Seat (left leg, sit, right leg) *
74. Transfer to Tub Using Bath Seat (right leg, sit, left leg) *
75. Transfer to Tub Using Bath Seat (back up, left) *
76. Transfer to Tub Using Bath Seat (back up, right) *
77. Transfer to Tub Using Bath Transfer Bench (left) *
78. Transfer to Tub Using Bath Transfer Bench (right) *
79. Transfer Board– Moving to the Left *
80. Transfer Board– Moving to the Right *

- 81. Transfers In and Out of a Car *
- 82. Wheelchair Mobility *
- 83. Wheelchair to Tub Using Bath Transfer Bench (left) *
- 84. Wheelchair to Tub Using Bath Transfer Bench (right) *

Grooming and Oral Hygiene

- 85. Adaptive Equipment for Grooming and Oral Hygiene

Toileting

- 86. Adaptive Equipment for Toileting *
- 87. Toileting Tips

Health Management

- 88. Healthcare Providers Appointments
- 89. Tips for Making and Keeping Healthcare Appointments

Meal Preparation

- 90. Adaptive Equipment for One-Handed Meal Preparation
- 91. Managing Kitchen Tasks from a Walker
- 92. Managing Kitchen Tasks from a Wheelchair
- 93. One-Handed Meal Preparation
- 94. Medication Management Resources

Educational Handouts

Amputation of the Lower Extremity

1. Care of Your Remaining Leg *
2. Caring for Your Residual Limb *
3. Donning Your Prosthesis and Socks *
4. Equipment Care - Prosthesis and Socks *
5. Managing Phantom Limb Pain *
6. Positioning Your Residual Limb *

Cardiopulmonary

7. Activity Guidelines Following Cardiac Surgery *
8. Activity Guidelines Following Heart Attack *
9. Cardiac Precautions for Exercise *
10. Causes of Respiratory Panic and Distress *
11. Coordinating Your Breathing with Activities
12. Daily Activities and Sternal Precautions
13. Deep Breathing Exercise
14. Diaphragmatic Breathing Technique *
15. Energy Conservation Principles *
16. Energy Conservation with Meal and Home Management
17. Energy Conservation with Self Care Activities
18. Levels of Shortness of Breath
19. Pursed Lip Breathing Technique *
20. Respiratory Panic and Distress Control Technique *
21. Self-Monitoring Your Heart Rate *
22. Sternal Precautions *

Cognition and Perception

23. Daily Schedule/Things To Do
24. Important Phone Numbers
25. Important Things to Remember
26. Personal Information
27. Shopping List
28. Setting Up a Daily Planning Notebook
29. Strategies for Vision Problems
30. Suggestions for Improving Apraxia
31. Suggestions for Improving Attention
32. Suggestions for Improving Figure Ground Discrimination
33. Suggestions for Improving Form Constancy
34. Suggestions for Improving Initiation, Planning and Organization
35. Suggestions for Improving Left Side Awareness
36. Suggestions for Improving Memory
37. Suggestions for Improving Right Side Awareness
38. Suggestions for Improving Visual-Motor Integration
39. Suggestions for Improving Visual Spatial Relations
40. Using Your Daily Planning Notebook

Low Vision

41. Communication Tasks
42. Controlling Glare
43. Eating Techniques
44. Functional Reading
45. Functional Vision
46. Improving Your Other Senses
47. Kitchen Management
48. Labeling and Marking
49. Lighting Guidelines
50. Medication Tips
51. Mobility Tips
52. Money Management
53. Recreational Ideas
54. Safety Tips
55. Using Contrast

Neurological

56. Facilitating Movement Using Cognitive Strategies *
57. Functional Use of Affected Upper Extremity after Stroke
58. Handwriting Techniques for Parkinson's
59. Handwriting Training
60. Handwriting Supplies
61. Handwriting Component Exercises
62. Handwriting Cursive Exercises
63. Handwriting Pangrams
64. Positioning in Bed - Left Hemiparesis *
65. Positioning in Bed - Right Hemiparesis *
66. Proper Positioning When Sitting – Left Hemiparesis *
67. Proper Positioning When Sitting – Right Hemiparesis *
68. Protecting Your Arm – Left Hemiparesis *
69. Protecting Your Arm – Right Hemiparesis *
70. Strategies to Reduce Action Tremor *

Orthopedic

71. Arthritic Joint Changes and Deformity
72. Body Mechanics *
73. Cervical Spine Precautions and Everyday Activities
74. Edema Control Techniques *
75. Joint Protection Principles
76. Lumbar Spine Precautions and Everyday Activities
77. Proper Posture *
78. Spinal Precautions *
79. Splint Instructions
80. Splinting for Arthritis
81. Superficial Cold *
82. Superficial Heat *

- 83. Surgical Intervention in Arthritis
- 84. Total Hip Precautions *

Other

- 85. Generously Sized Products
- 86. Healthy Bladder Habit *s
- 87. Measuring Your Arm Following Mastectomy *
- 88. Positioning in Bed to Minimize Pressure *
- 89. Pressure Relief *
- 90. Prevention and Control of Lower Extremity Lymphedema *
- 91. Prevention and Control of Upper Extremity Lymphedema *
- 92. Skin Inspection *
- 93. Stress Management and Relaxation Techniques

Safety

- 94. Daily Foot Care and Foot Safety *
- 95. Don't Let a Fall Get Your Down *
- 96. Fall History Questionnaire *
- 97. Home Safety and Functional Safety Assessment*
- 98. Medical-Alert Systems *
- 99. Using Your Walker Safely *
- 100. Using Your Wheelchair Safely *

Exercise Handouts

Balance

1. Balance - Ankle Sway Exercise *
2. Balance Exercise Guidelines *
3. Balance - Leg Exercises *
4. Balance - Standing Exercises *
5. Balance - Stepping Exercises *
6. Balance - Walking Exercises *
7. Sitting Balance Exercises *

Elbow, Forearm, Wrist

8. Active Movement of the Elbow, Wrist and Hand *
9. Elbow, Forearm and Wrist Active ROM Exercises *
10. Elbow, Forearm and Wrist Strengthening Exercises *
11. Elbow, Forearm and Wrist Stretching Exercises *
12. Forearm and Wrist Active ROM Exercises *
13. Forearm and Wrist Strengthening Exercises *
14. Forearm and Wrist Stretching Exercises *

Cardiopulmonary

15. Arm Cycle Guidelines *
16. Pulmonary Exercises *

General

17. Exercise Guidelines for Orthopedic Conditions *
18. Face and Neck Active ROM Exercises
19. Osteoporosis Extension Exercises *
20. Passive ROM Exercises *
21. Passive ROM Exercises – Left Hemiparesis *
22. Passive ROM Exercises - Right Hemiparesis *
23. Resistance Band Exercises *
24. Upper Body Active ROM Exercises
25. Upper Body Strengthening Activities
26. Upper Body Strengthening and Stretching Exercises

Hand

27. Fine Motor Activities
28. Hand Active ROM Exercises *
29. Hand Strengthening Exercises *
30. Nerve Gliding Exercises *
31. Tendon Gliding Exercises *

Parkinson's

32. Upper Body Reciprocal Exercises

Shoulder

33. Dowel Exercises Lying *

34. Dowel Exercises Seated *
35. Mastectomy Exercises *
36. Pendulum Exercises - Left *
37. Pendulum Exercises - Right *
38. Scapular Strengthening *
39. Shoulder Active-Assisted Exercises - Left *
40. Shoulder Active-Assisted Exercises - Right *
41. Shoulder Active Exercises *
42. Shoulder Rotators and Deltoid Strengthening – Left *
43. Shoulder Rotators and Deltoid Strengthening – Right *
44. Shoulder Isometric Exercises Left – Seated *
45. Shoulder Isometric Exercises Right – Seated *
46. Shoulder Isometric Exercises Left – Standing *
47. Shoulder Isometric Exercises Right – Standing *
48. Shoulder Passive ROM Exercises - Left *
49. Shoulder Passive ROM Exercises - Right *
50. Shoulder Strengthening Exercises – Left *
51. Shoulder Strengthening Exercises – Right *
52. Shoulder Stretching Exercises - Left *
53. Shoulder Stretching Exercises - Right *

Stroke Left Hemiparesis

54. Scapular Mobilization and Strengthening Exercises – Left *
55. Self Range of Motion - Left Hemiparesis
56. Using Your Left Arm as an Active Stabilizer
57. Using Your Left Arm as a Gross Motor Assist
58. Using Your Left Arm as a Passive Stabilizer
59. Using Your Left Arm with Caregiver Assisted Guiding
60. Using Your Left Arm with Self-Guiding
61. Weight Bearing Exercises - Left Hemiparesis

Stroke Right Hemiparesis

62. Scapular Mobilization and Strengthening Exercises – Right *
63. Self Range of Motion - Right Hemiparesis
64. Using Your Right Arm as an Active Stabilizer
65. Using Your Right Arm as a Gross Motor Assist
66. Using Your Right Arm as a Passive Stabilizer
67. Using Your Right Arm with Caregiver Assisted Guiding
68. Using Your Right Arm with Self-Guiding
69. Weight Bearing Exercises - Right Hemiparesis

* these handouts are also included in the PT Toolkit but they have a “Physical Therapy Toolkit” header
